

Ivory Soap costs a little more, but it takes less to do the work, and how much whiter the clothes are when they have been washed with it.

A WORD OF WARNING.—There are many white soaps, each represented to be "just as good as the Ivory," but they are NOT, but like all counterfeiters, lack the peculiar and remarkable qualities of the genuine. Ask for "Ivory" Soap and insist upon getting it.

EXPRESSES ITS GRATITUDE.

Takoma Citizens' Association Thankful for an Appropriation.

A meeting of the Takoma Citizens' Association was held last night at Takoma Hall, with a large attendance, the occasion being marked principally by an expression of thanks to the various parties who gave their aid and influence toward securing an appropriation for a public school in that portion of the Park which lies in the District of Columbia. In addition to the business transacted, there was a program rendered, under the auspices of the entertainment committee of the association.

During the business meeting a resolution was offered thanking the Commissioners and the board of school trustees of the District of Columbia for their aid in securing the school, and also recommending a site for the building, but, after deliberation and some little controversy, it was decided to leave to the latter proposition and substitute in its place the committee on schools of the association tender such assistance as the Commissioners shall desire in the selection of such a site.

The resolution finally adopted read as follows: "The Commissioners and board of school trustees of the District of Columbia are recommended and materially assisted by the citizens of Takoma Park in securing an appropriation for a public school, and whereas the said Commissioners have also expressed a desire to receive such assistance as the Commissioners shall desire in the selection of such a site, be it resolved, that this association tender the said Commissioners and trustees their gratitude and thanks for their earnest support; and be it further resolved, that it is the sense of this association that any site selected by the Commissioners and trustees be satisfactory to the association, and the school committee is hereby directed to tender such assistance as the Commissioners shall desire in the selection of such a site."

After the adoption of this paper Mr. Clark of the school committee offered a resolution thanking Messrs T. W. Lay and J. B. Kinnear for their earnest work on the committee, and Mr. Ashley M. Gould introduced a resolution extending the thanks of the association to Messrs W. W. Wapley, Blair Lee and B. H. Warner for their aid, they being non-residents of the Park and practically disinterested parties. These two resolutions were also unanimously adopted.

The meeting was then turned over to Mrs. Moore, who had charge of the entertainment, the following taking part: Miss Ethel Moore, a piano solo; Master Halie Moore, a recitation; Mr. Campbell, vocal solo; Master Stewart A. Dwyer, recitation; Mrs. H. J. Long, vocal solo; Master Eugene Kinnear, recitation, and Mrs. Knight, a vocal solo. This program was, as above stated, highly enjoyed, and several of the numbers having been original.

The meeting was closed by the adoption of a resolution of thanks to the entertainment committee, offered by Secretary Geo. A. Warren.

An Old-Fashioned Tea.

Mrs. La Feta gave a very unique tea to a few select guests Saturday evening at the La Feta's Hotel, most of the guests being attired in costumes in vogue 100 years ago. Mrs. A. Josephine Wyant contributed very much to the pleasure of the occasion by reciting several selections from Rileys and other authors in her usual charming manner. Mr. Kimura, Frekushima of Tokyo, Japan, rendered the Japanese national air.

## DRIVER NOT TO BLAME.

Death of Eva Sears Caused by Unavoidable Accident.

Eva Sears, the five-year-old daughter of Mr. Wade Sears, an employee of St. Elizabeth's Hospital, died at her parents' residence, 410 Monroe street, Anacostia, at 7:30 o'clock last evening, from the effects of being run over by a wagon five hours previously. As soon as the child's death occurred, Adam Chase, colored, the driver of the team, was arrested on Monroe street, Anacostia, by Sergeant Anderson and Officer J. F. Reagan. The police notified the coroner of the matter and he visited the home of the parents today and made an investigation. He questioned the two children, Ellen Reagan and Edith Perkins, who witnessed the accident. The coroner found out the accident was unavoidable, exonerated the driver of the wagon from all blame and ordered that he be released from custody, which was done this afternoon.

It is said the affair was the outcome of a game of tag, played on the sidewalk by the children of the neighborhood, one of whom was Eva. Others who were playing with her were Helen Reagan, aged six years, and Edith Perkins, about nine years old. Both of these children stated that Eva was standing right on the curb when the horse's hoofs struck her and knocked her down, and she was run over by the wheels of the vehicle passing over her body.

The children said a man was driving a one-horse wagon at fast gait.

On his part the prisoner stated at the police station that his horse was going at a walk at the time. He said he saw three children ahead of him, standing on the curb and swinging hands. Just as his wagon was passing, he said, one of the children fell forward under the rear wheels, and he claimed she was given a sudden push by her companion, Chase stopped his wagon as soon as he could and carried the unconscious girl to her parents' house nearby.

Dr. J. Stewart Harrison of Anacostia was summoned, but the injuries were too serious to render his services effective in saving her life. The wheel passed over the child's head, leaving a mark, but inflicting considerable interior laceration, in the opinion of Dr. Harrison.

Before being arrested Chase called at the Anacostia police station to inquire after the child. Chase is employed by W. E. Frazier of 11th street southeast. The vehicle he was driving was an empty coal wagon.

## A PROBABLE CHANGE.

New Headquarters for Police and Fire Departments.

If certain alterations are made in three small buildings located near the District building, it is probable that the Commissioners will move the headquarters of the police and fire departments to a point near the corner of E and 6th streets. The District appropriation bill for the coming fiscal year provides the sum of \$1,300 for the rental of a building for the headquarters of the two departments, and the Commissioners have determined to rent the buildings in question provided they be enlarged and converted into one structure by the first of July, in accordance with their suggestions. If this is done the new building will be two stories in height, and about one eighth of a mile in width. A wide entrance in the center will divide the building both on the first and second floor. One side of the building on the first floor will be devoted to the police department, principally to the detective corps, and the other to the fire department.

Chief Sylvester of the police department will be located in the second story, which story will also be divided, though not evenly, between the two departments. The subordinate officials of each corps and their subordinate rooms, conveniences which they do not now enjoy.

DEATH OF EDWARD DARBY.

Prominent Citizen Passes Away in Ninety-Fifth Year of His Age.

Mr. Edward Darby died yesterday afternoon at the residence of his granddaughter, Mrs. Crittenton Walker, near Laytonville, Montgomery county, Md. He was in his ninety-fifth year, and up to a few weeks ago had enjoyed exceptionally good health. He was one of the oldest residents of this city.

Mr. Darby was of English descent, and was reared near Sandy Springs, Md. He was the fourth in a family of thirteen children, and several of his brothers and sisters survive him. He went west, as the state of Ohio was then called, in 1831, but returned to the District a few years later. He occupied Anacostia Island, and later had charge of the farm comprising what is now Columbia Heights. During the war he was a farmer near Rockville. He leaves four sons and two daughters—Edward Darby of Virginia, Rizer W. Darby, Rufus H. Darby and George W. Darby of this city, Mrs. William H. Coombs and Miss Susan C. Darby of Gaithersburg, Md. Twenty-one grandchildren and eight great-grandchildren survive him.

Funeral services will be held tomorrow afternoon at Oak Hill cemetery.

## LIQUIFIED AIR.

Experiments With Compound to Be Made by Its Inventor.

Experiments with liquefied air will be made before the National Geographic Society at the Arlington Hotel tomorrow night, conducted by Mr. Charles E. Tripler, the inventor of the compound. It is the occasion of the society's reception, and the remarkable character of the atmospheric product in its new form will cause the gathering of more than the usual number of eminent scientists and professional men.

A number of instruments and kites employed in weather observations will be exhibited also, and explained by a meteorologist of the weather bureau. These are a kite which was struck by lightning at St. Louis. The metal parts and the wire which held it in place were used, but the instruments attached to the kite were afterward recovered uninjured.

Two Released, One Sent to Farm.

When Policeman Luby visited the Anacostia freight yard near Twining City last night he saw a soldier and two citizens seated about a fire, apparently enjoying themselves. The men made no effort to get away from the officer, and the latter sent them to the police station. Edward Walsh was the name given by the soldier, and the other two men gave their names as Joseph McGee and Edward Hodges.

"Your honor," said Walsh to Judge Kimball this morning, "I was discharged from the service at Savannah, Ga., and while on my way home to Baltimore yesterday I stopped at the fire to warm myself."

"What will you do if I let you go?" the court asked.

"Leave town," he answered, "and go on home."

Hodges told the court that he had recently recovered from an attack of typhoid fever and had come over here to seek the sights.

"Did you walk?"

"Not all the way,"

Judge Kimball said he was surprised that a person who had just recovered from such a disease could take such a journey.

"You must have been very anxious to see the sights," added the court.

"I was," answered the defendant.

The court released him to return home, while McGee was committed to the farm for thirty days.

## Buried at Mt. Olivet.

The funeral of Mrs. Elizabeth Rhodes, who expired suddenly from heart failure at her home in Anacostia Saturday night, was held yesterday afternoon at 3:30 o'clock from her late residence, on Monroe street, Anacostia. The interment was private and took place at Mount Olivet cemetery. Mrs. Rhodes leaves a husband and four grown children.

## GUILTY OF MANSLAUGHTER.

Jury Returns a Verdict in Case of James Riley.

James Riley, who was placed on trial yesterday in Criminal Court No. 1 for the murder of James Mahoney by stabbing him, the 21st of last May, was today declared guilty of manslaughter. Justice Cole sentenced Riley to imprisonment in the West Virginia penitentiary at Moundsville for ten years, the maximum penalty for the offense.

After an all-day session of the court, the introduction of testimony by both sides was concluded late yesterday afternoon and an adjournment taken until today. When the hearing was resumed this morning Assistant District Attorney Shillington announced, after conferring with Justices Cole and Chubb, that as the testimony of Riley and Mahoney to have been lifelong friends, and as malice in connection with the killing was lacking, the government considered it proper not to insist on conviction for a crime of greater import than manslaughter. The justices took the same view of the matter, as did the assistant district attorney. Justice Thomas C. Taylor, of counsel for Riley, assenting, the court instructed the jury to return a verdict of guilty of manslaughter, and not guilty of murder. Without leaving the box the jury carried out the instruction of the court. Sentence was then imposed. The next murder trial will probably be that of William Logan, last July. It will not occur prior to the latter part of next week.

## CONDITION SERIOUS.

Clifford Baird Knocked From Railroad Track by Engine.

Clifford E. Baird, aged thirty-five years, whose home is No. 31 Myrtle street, is in a serious condition at the Emergency Hospital from the effects of a fall from a Baltimore and Ohio train shortly after 12 o'clock last night.

Baird boarded the pilot of the engine of an outgoing passenger train, intending to ride as far as K street and then jump off and walk to his home. It is supposed he thought he was on a slow train and could easily alight when he wanted to. Unfortunately for him he had boarded a fast train for the west, the speed of which constantly increased as it moved toward the outskirts of the city.

Baird soon lost his nerve and fell off. As he did so the engine struck him and knocked him from the track. Two of his ribs on the right side were broken and his face, chin, neck and right arm were badly bruised and cut. Work was stopped at the railroad station, from which help was sent and the injured man was carried to the Emergency Hospital.

## THE COURTS.

Court of Appeals—Present, the Chief Justice, Mr. Justice Morris and Mr. Justice Shepard.

Joseph A. Burkart was admitted to practice.

NE-Whitney agt. Hay; passed.

## Seasonable Enterprise.

The announcement is made by the firm of W. B. Moses & Sons that they have made very great reductions on every piece of furniture on their floors—the new spring goods.

## To Answer Charge of Forgery.

Sterling P. Herbert, who some days ago was brought from Frederickburg, Va., by Detective Proctor to answer a charge of larceny, which, since then, was nolle prossed, was today taken to Charles county, Maryland, by Deputy Sheriff Ware to answer the charge of forging a check for \$24. The accused man stated that he was drinking heavily on the day the check was dated, and does not know whether or not he is guilty of the crime alleged.

# The Saks Stores

Pennsylvania Avenue and Seventh Street.

## Our Thoughts and Our Efforts Are Ever Tomorrow-ward.

With the past we're done. It's a record that will stand for itself. But the future must eclipse it. That's the spirit of The Saks Stores. A broadening—a bettering—a widening—unceasingly—to be more of a help in your shopping. To make you as glad as you make us—that we have extended our scope. Our bigness brings us greater opportunities. They're shared. Each today's Store News teems with the interesting and important offerings for tomorrow.

### Easter Novelties.

Not the same old things you have seen year after year. But new novelties of the season—clothes, hats, shoes, and accessories—Easter Cards, Easter Booklets, Easter Trinkets, Easter Plagues, Easter Stationery, Easter Bookmarks, Netherland, Easter Chains, Candlesticks, Toys for the Children, and "and-so-forth"—which means a hundred other novelties—modest or elaborate, costly or not, as you select.

### The Tissue Pagoda.

On the second floor of the western section of the Denison Manufacturing Co. have built a Pagoda of their Fancy Tissue Papers. It illustrates the possibilities of these papers—and at the same time shows the feature we make of them in our stock. The decoration is full of ideas that you are welcome to borrow—and there's a feast for your eyes if you like to look at pretty things.

## Special Sale Follows Special Purchase of Ladies' Suits.

A small lot comparatively—only 175 Suits—and they range in value from \$16.50 to \$40. They were made on duplicate order placed by an enthusiastic retailer—whose hopes were bigger than his outlet—and the manufacturers refused to ship them for money reasons. We know the taste that designed—and the skill that tailored—so we were willing buyers when the concessions were named. In eight divisions—and on sale tomorrow morning first thing. In spite of the lowered prices—if alterations are necessary (tho' unlikely) they'll be made without extra cost.

## A Bargain in Time.

25 China Clocks, fitted with Ansonia movements and in cases in Royal Bonn, from the famous factory in Germany. They are eight-day clocks, strike hour and half hour, on sweet-toned cathedral gong; guaranteed for five years... \$4.95

## King Quality Our New \$3 Shoe for Men.

We introduce today a line of footwear for men—"King Quality" Shoes—that we have had made expressly for us.

To be candid, we haven't been able to buy as good a Shoe to sell for \$3 as we thought you ought to have. All the \$3 Shoes on the market fell short of satisfaction in some essential feature. Those that fit perfectly were bunglesome looking. The stylish ones pinched the feet. The few that were both slightly and easy were weak in quality. Last fall we probed into the matter with this result:

We found that by buying the leathers direct, and taking advantage of every discount for quantity and cash, we could get a grade better than was being used. Then we had a set of lasts modeled that DO combine both style and absolute footease. These, with the stock, we put into the hands of the best facilitated Shoemaker we know of. Our lasts—our leather—and his reliable work—that's "King Quality."

"King Quality" is guaranteed in stock and made to be the superior of all \$3 Shoes and the equal of any \$4 Shoe. It's just another advance step of ours—another evidence that no effort that will give us increased values is spared. All lengths from 5 to 10—and all widths from A to E—in six sizes.

<b>"The Student,"</b> In Russet Calf and Black Vici Kid; high lace.	<b>"The Manhattan,"</b> In Russia Calf, Black Vici Kid, Chocolate Vici Kid and Black Calf; high lace.	<b>"The Astoria,"</b> In Black Vici Kid and Chocolate Vici Kid; high lace.
<b>"The Cornell,"</b> In Black Vici Kid, Russia Calf, Chocolate Vici Kid and Willow Calf; high lace.	<b>"The Penny,"</b> In Willow Calf and Russia Calf; high lace.	<b>"The Yale,"</b> In Black Vici Kid and Chocolate Vici Kid; high lace and congress.

## Spring Suits.

These are good days to be "looking 'round."

See what all the clothiers have to offer—we are very anxious to have our spring stock compared.

Handsome patterns in suits from \$7.50 to \$25—made up in our usual good fashion.

We had a big run yesterday on those men's silk-lined top coats, worth \$12, at \$7.95.

## WISSEMAN BROS.

COR. 7th AND E

## Headache Banished

BY Wier's Lemon Seltzer.

Experience will teach you that no headache remedy will banish headache as quickly or as effectively as Wier's Lemon Seltzer. Pleasant to take. Also cures indigestion and nervousness. At all druggists. 10c., 25c. and 50c.
